Sir:

This is a submission under 37 C.F.R. § 1.28(c) to correct an error in claiming small entity status and to pay the deficiency resulting from the previous erroneous payments of small entity fees.

On June 23, 2003, Applicant's agent filed a patent application claiming small entity status due to ownership by Montana State University, a public research institution that qualifies for small-entity status as defined under 37 CFR § 1.27(a)(3)(ii)(A). However, co-ownership by the "Government of the United States of America, Represented by the Secretary of the Department of the Interior" has also existed since the beginning of prosecution. This assignment was formally recorded on October 26, 2004, at Reel/Frame 015917/0334. An assignment to "Montana State University" was also recorded on October 26, 2004, at Reel/Frame 015949/0905. Applicant's agent, without error and deceptive intent, erroneously paid small entity fees throughout the prosecution of this application.

In compliance with the requirements under 37 CFR § 1.28 (c), itemization of the deficiency payment can be found below, including each fee that was erroneously paid as a small entity, the date corresponding to when the small entity fee actually paid, the small entity fee paid, the deficiency amount owed, and the total deficiency payment owed.
